## Product Highlights

### Black Matrix

The Black Matrix picture tube improves the contrast of images even when viewing in daylight conditions..

### RMS

The standard professional measure of sound output power. All our TV's are measured in RMS with 10% Distortion. There are other terms than RMS which often show higher numbers but are not comparable.

### Plug & Play

Having connected the tv, it automatically searches for all channels and installs them.

### Smart Picture

A touch of the SMART PICTURE button on the remote control provides the option of selecting one of four pre-set positions (Rich, Natural, Soft, Personal, Multimedia) to enhance enjoyment of video games, sports and movies, also based upon the room lighting condition. By selecting the desired option, all important picture elements are instantly adjusted to optimize viewing pleasure.

### 1 page Teletext

Teletext information available.

### Sleeptimer

The Sleeptimer automatically turns the TV off at a preset time of up to 240 minutes from the time the feature is activated. Sleeptimer settings are programmed in 15, 30, and 60-minute increments.

### Front Connections

Connections for headphone and other inputs such as camcorder, front entry for ease of use
